

NextEleven Parts Inventory System

Commercial Rate Card · Multi-location dealership fixed-ops

NextEleven LLC · Mansfield, Texas · Effective August 2026 · v2.0 · USD · Confidential under NDA

Plain-English multi-rooftop parts desk: counter search, email classify → draft → approve, inventory / orders / customers, inter-store transfers, human green/yellow/red gate. Priced by **rooftop**, not chatbot seats. Built to sit beside what you already run — not a CDK/Reynolds rip-and-replace.

Core pricing

Package	Rooftops	Price	What it is
Pilot	1–3	\$1,500 one-time	30-day measured engagement on your traffic. Fully credited against first 3 months of production on conversion.
First rooftop	1	\$495 / mo	Full production desk for one store: search, email desk, inventory/orders/customers, transfers, human gate.
Each rooftop after	2+	\$195 / mo each	Same product surface on every additional store. No seat tax.
Growth lock	3–5	\$799 / mo flat	Best value. Beats stacking first+\$195 at every size in the band (see examples).
Enterprise	6+	Custom quote	Named contact + rollout path + VPC/on-prem options. Guide ~\$150–\$200 blended / rooftop / mo.

Simple path: **\$495 first rooftop + \$195 each additional**. Growth locks 3–5 stores at **\$799 / mo** so a 5-store group is not punished vs a 3-store group. Take whichever is cheaper for you.

Worked monthly examples (core only)

Rooftops	1	2	3	4	5	6+

You pay	\$495	\$690	\$799	\$799	\$799	Quote
Band	First	Stack	Growth	Growth	Growth	Enterprise

Growth savings vs stack: 3 rooftops **\$86/mo** · 4 rooftops **\$281/mo** · 5 rooftops **\$476/mo**. Annual prepay: optional **10% off** core production.
